

REGULATORY WORKFLOW SOLUTIONS

AgencyIQ provides you with a customizable dashboard and personalized research collection to easily and seamlessly facilitate communication, education, and collaboration on important regulatory research, news, and data with your teammates and stakeholders. Our solution alleviates your concerns of information overload, thus empowering your team to increase their analytical and workload capacity—giving you can have a bird's eye-view of regulation.

Features

Collaboration Tools

Collections and bookmarking features enable you to retrieve and share the right information with decision makers and influencers; and demonstrate ROI to your stakeholders.

Holistic Platform

All-in-one intelligence technology with news aggregation and customizable rule and event trackers in an easy-to-navigate interface.

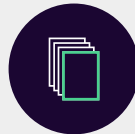

Robust Search Capabilities

Powerful search features and recommendation engine to make it easier to find what you need fast.

Benefits

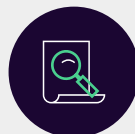

See all documentation associated with rules, guidance, and compliance actions in a **simple-to-use dashboard**.

Save and bookmark collected research to share with teammates and stakeholders.

Keep up with the regulatory changes that matter to you **at-a-glance**.

Track, gather, and communicate actionable insights through one platform to ensure team alignment.
